ABOUT BARD1 LIFE SCIENCES LTD

BARD1 Life Sciences Ltd (ASX:BD1) is an Australian-based biotechnology company focused on developing and commercialising non-invasive diagnostic tests for early detection of cancer. BARD1's proprietary technology platform is based on novel tumour markers with potential diagnostic and therapeutic applications across multiple cancers. The pipeline includes BARD1 autoantibody tests in development for early detection of breast, ovarian and lung cancers. Additional diagnostic projects will be evaluated for other cancers. The company also has a cancer vaccine project at research-stage for treatment of cancer. BARD1 is committed to transforming the early detection of cancer to save lives. For more information on BARD1, see www.bard1.com.
